
Work Experience

- 2014- **Assistant Professor**, *Lahore University of Management Sciences, Pakistan.*
2009-2014 **Graduate Assistant**, *UArizona and UIowa, USA.*

Education

- 2010-2014 **PhD Economics**, *University of Iowa, USA.*
Dissertation Title: Essays on Auctions and Bayesian Games with Endogenous Expectations.
Advisor: Rabah Amir.
Transferred from University of Arizona in 2012.
- 2009–2010 **MA Economics**, *University of Arizona, USA.*
GPA 4.0/4.
- 2005–2009 **BSc (Honours) Economics**, *Lahore University of Management Sciences, Pakistan.*
Graduated with Gold Medal in Economics.

Research

- Fields of Interest Applied Microeconomics, Behavioural Economics, Experimental Economics.
- Publications **Endogenous Price Expectations as Reference Points in Auctions**, *Journal of Economic and Behavioral Organization (2015).*
- Working Papers Monotone Equilibria in Bayesian Games with Endogenous Beliefs.
Reference Dependence and Bias in Double Auctions.
- Works in Progress Slices of Self: Identity and context in Sindh.
- Presentations LUMS Brown Bag Series 2014.
Annual meeting of the Society for the Advancement of Economic Theory 2013.
Iowa Alumni Conference 2013.
University of Arizona Theory Seminar 2012.
University of Arizona Third Year Paper Conference 2012.
North American Experimental Science Association (ESA) Conference 2011.
University of Arizona Second Year Paper Conference 2011.
- Conferences Attended Hausdorff Trimester Program, University of Bonn 2013.
North American ESA Conference 2012.
South West Economic Theory Conference 2012.
- Referee Services Journal of Socio-economics, 2013; Mathematical Social Sciences, 2012.

- Policy Research Report on Philanthropy in Pakistan, Pakistan Centre for Philanthropy, 2016.
Health Sector Specialist, Operationalisation of Punjab Growth Strategy, Govt. of Punjab, 2016.
Report on Urbanisation of the KPK, IGC 2015.
Urban Informality in Punjab and Sindh, Oxfam GB & Urban Institute 2015.
Report on Urban Economies of the Punjab, CDRP/IGC Pakistan, 2014.

Teaching

Primary Instructor

- 2015 **Advanced Game Theory**, *Lahore University of Management Sciences*.
Advanced course in Game Theory.
One semester. Instructor Evaluation Scores - **4.73/5**
- 2015 **Intermediate Microeconomics**, *Lahore University of Management Sciences*.
Undergraduate course in Microeconomics.
Two semesters. Instructor Evaluation Scores - **4.63/5 & 5/5**
- 2014-2015 **Introduction to Game Theory**, *Lahore University of Management Sciences*.
Undergraduate course in Game Theory.
Two semesters. Instructor Evaluation Scores - **4.51/5 & 4.82/5**
- 2014 **Mathematical Applications in Economics**, *Lahore University of Management Sciences*.
Undergraduate course in optimization techniques geared for students taking maths intensive economics courses.
One semester. Instructor Evaluation Scores - **4.65/5**
- 2013 **Microeconomic Theory**, *University of Iowa*.
Intermediate Microeconomics course team taught with Forest Nelson and Alan Gelder.
One semester. ACE score - **5.8/6**
- 2012 **Economic Strategy for Business Decisions**, *University of Arizona*.
Undergraduate course in Game Theory.
One semester. **TCE score - 4.6/5**
- 2012 **Basic Economic Issues**, *University of Arizona*.
Undergraduate Principle of Economics.
One semester. TCE score - **4.4/5**
- 2011-2012 **Global and Financial Economics and Decision Making**, *Uni. of Arizona*.
Undergraduate course in Financial Economics and Game Theory.
Two semesters. TCE scores - **4.5/5 & 4.5/5**
- 2011 **Microeconomic Analysis for Business**, *University of Arizona*.
Undergraduate microeconomics for business students without calculus.
One Semester. TCE Score - **4.4/5**

Grants, Honours and Awards

IGC Project Grant	Awarded IGC Grant (with Hassan Abass and Nauman Zafar) of GBP 14,500 for Decentralized Electric Power Delivery Model for Rural Electrification in Pakistan (2016-2017).
LUMS Faculty Start-up grant	Awarded a three year start-up grant worth PKR 600,000 over three years (2014-2017).
Ballard & Seashore Fellow	Awarded the Ballard & Seashore Dissertation Completion Fellowship, <i>University of Iowa, 2013-14.</i>
NMF Gold Medal	Awarded for graduating with the highest SGPA in Economics, <i>Lahore University of Management Sciences, 2009.</i>
Visiting Fellow	Fellowship to attend a month-long program on Stochastic Dynamics in Economics and Finance, <i>Hausdorff Institute for Mathematics, University of Bonn, Germany, 2013.</i>
Outstanding Research Award	Award for best research among all economics graduate students, <i>University of Iowa, 2013.</i>
Wells Fellow	Awarded the Don Wells Fellowship for Teaching Excellence, <i>University of Arizona, 2012-13.</i>
Nominee, Ed Zajac Prize	“Institutionalising Corruption” nominated for best third year paper, <i>University for Arizona, 2012.</i>
Research Assistant	Research Assistant, <i>Institute of Behavioural Economics, University of Arizona, 2012.</i>
Brown Fellow	Awarded the Thomas R. Brown Teaching Fellowship, <i>University of Arizona, 2011-12.</i>
Steve Manos Prize	“Reference Dependence in Second Price Auctions” selected as best second year paper, <i>University for Arizona, 2011.</i>
Graduate Assistant	Graduate Tuition waiver and Assistantship, <i>University of Arizona, 2009-2012.</i>

Service

To the Department (Economics)	Organiser, Department of Economics Lecture Series, 2014-present Member, Faculty Hiring and Recruitment Committee, 2014-present Member, Microeconomics Curriculum Review Committee, 2014-present
To the University (LUMS)	Member, University Research Council, 2015-present Member, Planning and Space Committee, 2014-2015
