- Fauji Foundation School of Management, Islamabad, Pakistan (July 1998 to 2001)

Research Supervision at LUMS

I supervised quite a few Senior Research Projects, Independent Studies, and many M.Sc., thesis. Some of the Senior Research Papers are as follows:

1. Construction of a Market Efficient Portfolio
2. Empirical Testing of the Risk and Return Relationship in Pakistan
3. Calculation of Student Price Index: A Case Study of LUMS
4. Granger Causality Between Exports, Imports, and Exchange Rates: A Case Study for Pakistan and India
5. Inflation and Interest rate
6. Desirability of Price flexibility.

Institutional Contribution at LUMS

1. Convener Department Appointment and Promotion committee
2. Elected Member of University Council Committee
3. Elected Member of Faculty Council Committee
4. Member FAPC (SSHS)
5. Member Student Disciplinary Committee
6. Member Financial Aid Review Committee
7. Member M.Sc.,(Econ) Admission Committee
8. Member Economics Department Research Committee
9. Member Economics Department Search Committee
10. For past 7 years, I am writing reference letters for students. My students are quite regularly getting Fulbright and other scholarships in top universities of UK and USA and admissions in universities such as Cambridge, Harvard, Stanford, Yale, and Rochester etc.
11. Students always find me helpful to discuss issues related to studies, their study plans, and research topics, etc.

Research
Awards/Honors

1. **Ferozesons Award for Excellence in Research-2017-18. Lahore University of Management Sciences, Lahore Pakistan**
2. I personally feel honored being research active despite heavy teaching and committees work
3. In 2007 LUMS awarded me Rs. 35,000 for publishing an article entitled, "Trade Liberalization under New Realities" in a Journal of International Repute.
4. My Paper "Interest rate and exchange rate policy in the presence of cost channel" is accepted by International Growth Centre-LUMS Lahore and awarded us \$10,000.
5. My article, "Exogenous Shocks and Exchange Rate Management in Developing Countries: A theoretical Analysis" is awarded Rs 35,000 by LUMS

Academic
Linkages
Established

Ensued research collaboration with Ahmad Khalid of Bond University (Australia), Sajid University of Sunshine (Australia), Hamza Malik of State Bank of Pakistan, and Pavel Kapinos of Federal Reserve Bank USA-Dallas

Referee for Local
and International
Journals

Continuously getting requests from various International (Economic Modelling, Applied Economics, Singapore economic review etc.) and National Journals (Pakistan Development Review) for papers review.

Extra-Curricular
Activities

I am quite regularly playing squash and doing Gym in the university sports complex. I managed to initiate a lot of interest among students to involve in healthy sports activities

Guest Speaker

Regularly giving lectures in various institutes (both public and private) such as:

- Rausing Executive Development Centre-LUMS
- Civil Services Academy
- Management College Lahore

External
Examiner

Many times I am appointed as an external examiner for research thesis and exams by many Pakistani universities

Extra-
Curricular
Activities

I am quite regularly playing squash and doing Gym in the university sports complex. I managed to initiate a lot of interest among students to involve in healthy sports activities
